WORK EXPERIENCE

Fullstack Software Engineer (Contract)

MultplAI, Toronto ON

Jan 2024 - Present

Tech stack: Python, Typescript, NextJS, Tailwind, FastAPI, Flask, Pytest, Linux, Playwright, ScrapeOps, Scrapy, PostgreSQL, ECS, Lambda, ElastiCache, Git, GitHub Actions

- Led 5-person engineering team using Agile methodologies to streamline the SDLC, driving 18% velocity increase through effective sprint management and process improvements.
- Significantly boosted web scraping accuracy for dynamic job boards from **35% to 90%** using **FastAPI**, **Scrapy**, **Beautifulsoup** by closely examining data structure, creatively combining different scraping strategies and conducting rigorous back-testing.
- Spearheaded migration from CloudWatch to BetterStack for **Lambda** observability, optimizing distributed system monitoring, integrating logging, tracing and metrics, resulting in streamlined debugging in staging and production environments.
- Implemented VPC networking with NAT Gateway, connecting ElastiCache and Lambda in private subnets to external ECS, enabling real-time scraping status updates instead of 15-minute delays.
- Led the design and development of a job tracker front-end and plug-in using **Next.js**, **Plasmo**, and **TypeScript**, styled with **Tailwind**. Enabled users to efficiently scrape, dynamically display, filter, and manage the status of thousands of job applications, resulting in a 20% faster user workflow.
- Initiated and led implementation of comprehensive backend unit testing with **Pytest**, E2E testing with **Playwright** and integrating automated tests via **GitHub** Actions to ensure a robust CI/CD pipeline, achieving 99.5% availability and 30% cost savings in the first 3 months.

Frontend Developer (Contract)

ClaimTradium Corp, Toronto ON

Jan 2024 - Mar 2024

Tech stack: Typescript, Next.js, Tailwind, DaisyUI, Figma, Git, GitHub

- Led frontend development using **NextJS** and **Typescript**, culminating in the successful deployment and launch of the web application with its own domain.
- Orchestrated web design initiatives to elevate UI/UX standards, leveraging Figma to craft high-fidelity mockups.

Photographer

Self-employed, Ho Chi Minh city, Vietnam

Jun 2018 - July 2021

- Played a key role in guiding visual decisions for showcasing startups' products on social media, resulting in a significant 10X increase in social media engagement and consistently sold out products over six months.
